

## Compensation Plan

The GDI Compensation plan gives you unlimited earning potential. Earn commission by selling GDI domain packages to customers. The GDI Compensation plan allows Affiliates to achieve the highest levels of payment, FAST!

### **Earning Money as a GDI Affiliate**

1. You will receive 10% on personal sales to customers who purchase any domains offered by GDI (Level 1).
2. You receive 10% on your personally sponsored Affiliate's sales (Level 2), 10% on the sales of the people they personally sponsor (Level 3), 10% on levels 4 and 5

**Your Commission:** When you sponsor another affiliate who purchases one of the GDI Domain Packages, they would be placed on your first level and you would earn 10% Commission on these sales. You will also earn a residual bonus of 10% each month on any monthly fees associated with that sale. All active upline Affiliate members will be compensated as well according to the compensation plan.

Qualification Requirements: All of the following Qualification Requirements must be met in order to qualify and receive commission payments.

1. You must have signed and returned the Independent Affiliate Agreement Terms and Conditions and the Independent Affiliate Policies and Procedures.
2. You must agree to the terms on the Affiliate agreement during your online application.

NOTE: An Active Account is a customer who has an active domain hosted by the company (\$10.00 per month, or pre-paid at an annually amount to be determined at that time). NOTE: Commission will be accumulated until they reach a gross amount of \$10 in the US and \$25 internationally, at which time they will be paid on the next pay period.
